

To Shravya on Christmas 2020

Dearest Shravya,

Merry Christmas!! I hope you have loads of fun!!

I'm sending you a mini-Christmas tree to decorate, and there are some gifts wrapped in red and white paper to put under the tree. Open them **ONLY** on 25th December - Christmas day!!!

Here's a picture of how you can decorate the tree. Do you see the Christmas ornaments hanging and the small decorations below? There's also a star that you can place right on top of the tree and some cotton that will look like snow!!

Once this is done, place the red and white wrapped presents under the tree.

Remember to open these **ONLY** on Christmas day!!

Lastly, since Christmas is the season of giving, I am sending two small gifts that you can give to your Mumma and Dada!!

Have a great time and wish you a Merry Christmas!!!

Lots and lots of love XOXOX
